WE'RE FOR AMERICAS AMERICANS

The Ledger's Choice for President.

THE following from The Herald of Utica, N. Y., is worth the attention of the common sense, practical people of this country:

"The bonded debt of the Nation increased in two years of 'GROVER and clover:

February, 1894. November, 1894 59,000,000 \$262,315,000

"The two issues of \$50,000,000 each bear 5 per cent, interest, and have ten years' life. Interest on these will take \$50,000,000 from the Treasury.

"The present loan and that of last year are 4 per cent., the life of the bonds being thirty years. Interest on these will take \$194,778,000. We have therefore this exhibit of the cost of Clevelandism in hard, borrowed cash, to

be repaid, principal and interest; Bonds, 5s. ten years......\$100,000.000 Interest, ten years...... 50,000,000 Bonds, 4s, thirty years..... 162 315 000 Interest, thirty years 194.778,000

"This is one item in the grand total of the cost of Clevelandism, otherwise "the change' which the people took it into their heads in 1892 they wanted."

This country is abundantly able to pay as it goes, says The Louisville Commercial, and it will be more prosperous accordingly as it pays as it goes, and there is nothing more certain than that this people believe so. The change in 1892 was made by people who did not know how well they were off. They have found out since. All the people in the country have found out that no remedy from any evil from which the country suffers can be expected from the Democratic party, just as they have found out that the Democratte plans for bringing good times are utterly deceptive. There is nothing more certain than that the Democratic party will be swept wholly out of power pext November, unless the Republican party takes up the blundering role for which the Democratic party, according to General GRANT, could formerly be relied on.

Any good Republican, who commands the respect of the country, and who stands in a way that the people know and believe in for Protection and sound money, can be elected President of the United States next November. The Republicans will stand together on the platform of Protection and sound money. If there is any sincerity among Demoeratic leaders, their party cannot stand

The Republicans will win next fall, and those who want to ride in the band wagon must stand by the Republican party now.

Hin Wife. Asht. And, Ky., Feb. 21.-James Dewitt, the Carter county wife murderer, who was hurried across the country at midnight two months ago to escape a mob that had been formed to avenge the woman's death, and taken to the Boyd county jail, at Catlettsburg for safe-keeping, made a confession there Thursday night to Attorney Ben U. Steele and Jailer I. S. Hurd, in which he accuses a party named Rose of having committed the nition of the independence of Cuba. murder, though he acknowledges he stood passively by and witnessed the tragedy. Dewitt claims he hired Rose to kill the woman, and that after he walk with him from the house, where she was staving Rose met them by previous arrangement, and after knocking the woman senseless with an ax handle he choked her until life was extinct. Search of the body resulted in the finding of 85, which was all the murderer got for the crime. The body was secreted in a dense thicket, where it was latter found, Dewitt being in the party that made the ghastly discovery. His strange attack of trembling just previous to the discovery placed suspicion on him at once, and was the immediate cause of his arrest. At his examining trial the evidence was sufficiently strong to warrant his being held without bail.

Nothing is known of Rose's former record, but the Carter county officers have been wired to arrest him imme-

A Spirited Debate on the Two Cucan Resolutions.

Question No Longer One of Belligerency. But One of Independence.

Result of War With the United States Than to Yield it for a Frice, Says Senator Morgan, of Alabama.

WASHINGTON, Feb. 21 .- For three hours and a half Thursday the senate was engaged in a debate on the resolution for the recognition of belligerent rights of the Cuban insurgents and the alternative resolution for the recognition of Cuban independence. There was a very full attendance and the galleries were filled by an interisted and sometimes excited assemblage of men and women.

the debate was opened by Senator Call (dem., Fis.) and continued by Mr. Cameron (rep., Pa.) who offered a substitute for the concurrent resolution in these words:

He was followed by Senators Lodge and Morgan. Mr. Morgan was the author of the concurrent resolution and reported it from the committee on forsign relations. Each speech, in sucression, seemed to outstrip the other in patriotic fervor and in devotion to the Cuban cause; and some of the speeches attracted applause from the ralieries.

Mr. Morgan opened on very conservative lines; but, as he progressed and as he was drawn out by the inquiries of other senators, he seemed to give free scope to his words and desires and expressed himself in no doubtful or hesitating language in favor of taking the most advanced position. He declared his belief that Spain would not release her hold upon the throat of Cuba, and that she would rather lose the island as the result of war with the United States than yield it for a price, or lose it through the success of the insurgents. At one point his speech he exclained, passionately, that in a certain event, it was "our duty to draw the sword, lay it on the table and say to Spain: 'If you want to take it up, take it up,'" This exclamation, of yourse, drew applause from the galleries. Mr. Morgan was not able to finish his speech, but will continue at the session of Monday next, the senate adjourning at 5:30 o'clock until Saturday, when the president pro tem (Mr. Frye, rep., Me.) is to read Washing-
